More central than Enlad, Havnor was better placed for trade and for sending out fleets to protect the Hardic islands against Kargish raids and forays..touching the beasts and healing them. And you know what the cattleman gave him? Six pennies! Can. center of the world.. "Come" she said, "before you fall asleep there," and he followed her obediently to Berry's room, which wasn't much more than a cupboard built onto the corner of the house. Her room was behind the chimney. Berry would come in, drunk, in a while, and she'd put down the pallet in the chimney corner for him. Let the traveler have a good bed for a night. Maybe he'd leave a copper or two with her when he went on. There was a terrible shortage of coppers in her household these days..down on her haunches and hid her face in her arms, shutting him out, shutting the world out..It took him six more days to get through the big herds in the eastern marshes. The last two days. The Master of Iria of Westpool, Birch, didn't own the old house, but he did own the central and. people, and put a stop to this rubbishy talk, if she could..He was still shaken, appalled, by the ease with which Gelluk had forced him to say his name, which gave the wizard immediate and ultimate power over him. Now he had no hope of resisting Gelluk in any way. That night he had been in utter despair. But then Anieb had come into his mind: come of her own will, by her own means. He could not summon her, could not even think of her, and would not have dared to do so, since Gelluk knew his name. But she came, even when he was with the wizard, not in apparition but as a presence in his mind.. Magic was a wild talent before the time of Morred, who as both king and mage established. but present, smiling, dancing. All his childhood friends were there too, half of them married by. "I don't care what's "allowed", he said, with a frown she had never seen on his face. The emphasis on the last word, and inwardly murmured, "Avert.". fate had shaken him. There was something mysterious in it, some element or some person missing..with exaggeration, moving its huge lips and meaty tongue.. "It'll stop by midday," the wizard told the chickens. He fed them and squelched back to the house with three warm eggs. When he was a child he had liked to walk in mud. He remembered enjoying the cool of it rising between his toes. He still like to go barefoot, but no longer enjoyed mud; it was sticky stuff, and he disliked stooping to clean his feet before going into the house. When he'd had a dirt floor it hadn't mattered, but now he had a wooden floor, like a lord or a merchant or an archmage. To keep the cold and damp out of his bones. Not his own notion. Silence had come up from Gont Port, last spring, to lay a floor in the old house. They had had one of their arguments about it. He should have known better, after all this time, than to argue with Silence..gift. She and some men and women like her, people of no fame and some of questionable reputation,..sudden, taking Otter's hand in his and pulling him to his feet with startling strength. He was. wilderness, in tents and lean-tos made of scraps, or shelterless. "Oh, this won't do," Crow said,..as one of themselves, the good man who had found poor Otter half dead in the forest and brought. A globe of misty, greenish fire drifted swiftly down the corridor at eye level, apparently pursuing the young man. The Doorkeeper waved his hand at it, and it avoided him. Irian swerved and ducked down frantically, but felt the cool fire tingle in her hair as it passed over her. The Doorkeeper looked round, and now his smile was wider. Though he said nothing, she felt he was aware of her, concerned for her. She stood up and followed him..say he ought to go. He's not canny.". It was easy to keep up the protections he. that. It's not a thing you do. You have to know how to let it do. That's all the mastery.". There are different kinds of knowledge, after all.". So they talked, that long winter, and others talked with them. Slowly their talk turned from vision to intention, from longing to planning. Veil was always cautious, warning of dangers. White-haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set her whole mind on how the women of the Hand might grow strong again. But her mind, formed by her long solitudes among the trees, always sought form and clarity, and she said, "How can we teach our art when we don't know what it is?". Hound was down at the door, they said. Early sent for him to come up. "Who's Tern?" he asked as. He never felt that it had much to do with him, so how was he to have. the night. Once for a moment something drew his mind away, some invasion of the outskirts of his. He had been walking almost asleep. The pallor of the werelight had faded, drowned in a fainter, vaster clarity. Sky and earth were all one grey, but before them and above them, very high, over a drift of cloud, the long ridge of the mountain glimmered red..His old master was sitting in the grass near the pond, eating an apple. Bits of eggshell flecked. volcano called Andanden standing over all.. "Times I could shake his fool head off," she said, and went back to her work.. "Oh, bonses! Do you want a bons?".. Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and re woven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves.." after her. Then she plodded gently on. He pressed against her flank and clung to her, for the. "He was here!" she cried. "That foul heart, that Thorion!" She strode to meet the Patterner as he. They were not far inside the Grove, and still beside the stream, when Irian stopped, turned aside,.. the boat with better wares than most householders of the

The teaching of it is the..were drawn in Berila about twelve hundred years ago..Silence looked stricken. "Was he your friend?". "And cast wide!" He looked from one to the other again. "I wasn't well taught, in the City of Havnor," he said. "My teachers told me not to use magic to bad ends, but they lived in fear and had no strength against the strong. They gave me all they had to give, but it was little. It was by mere luck I didn't go wrong. And by Anieb's gift of strength to me. But for her I'd be Gelluk's servant now. Yet she herself was untaught, and so enslaved. If wizardry is ill taught by the best, and used for evil ends by the mighty, how will our strength here ever grow? What will the young dragon feed on?". "You have-" he said-"you have to go. Back." As he said "Back," his left hand struck down on the..The Patterner pushed four pebbles into a little curve on the sand and said, "I wish the Sparrowhawk had not gone. I wish I could read what the shadows write. But all I can hear the leaves say is change, change... Everything will change but them." He looked up into the trees again with that yearning look. The sun was setting; he stood up, bade her goodnight gently, and walked away, entering under the trees..answers, and said nothing..plasting regularly and. . . that's how it's been.
