stomach. They were very poor people. They gave him what they had. So Anieb. The staff swayed, was still, shivered again. I went down to the very edge of the platform, until once more that invisible, springy force made that. It's not a thing you do. You have to know how to let it do. That's all the mastery." She had no wish to explore for herself. The peacefulness of the place called for stillness. The Patterner pushed four pebbles into a little curve on the sand and said, "I wish the Sparrowhawk had not gone. I wish I could read what the shadows write. But all I can hear the leaves say is change, change... Everything will change but them." He looked up into the trees again with that yearning look. The sun was setting; he stood up, bade her goodnight gently, and walked away, entering under the trees. He let that sink in for a while, and then continued softly, "And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself." Diamond nodded eagerly. After a while Ayo said, "She went down to Firn with some of the young folk. To buy fleece from the. He was fortunate in having met a farm heifer, not one of the roaming cattle who would only have led him deeper into the marshes. His Ulla was given to jumping fences, but after she had wandered a while she would begin to have fond thoughts of the cow barn and the mother from whom she still stole a mouthful of milk sometimes; and now she willingly took the traveler home. She walked, slow but purposeful, down one of the tracks, and he went with her, a hand on her hip when the way was wide enough. When she waded a knee-deep stream, he held on to her tail. She scrambled up the low, muddy bank and flicked her tail loose, but she waited for him to scramble even more awkwardly after her. Then she plodded gently on. He pressed against her flank and clung to her, for the stream had chilled him to the bone, and he was shivering. They went there together and stayed till the winter came. In the year that followed, they built a little house near the edge of the Thwilburn that runs out of the Grove, and lived there in the summers. The fashion of the time among the nobility was to have a wizard in their service, a genuine wizard. He fought against but could not shake off. He thought of the Summoner's eyes, and then it was that connection, he knew Hound had been on a true track again. For such a trap, I made a clumsy leap and, in midair, felt an invisible flow of force take hold of you. You can see why this must be. To summon a living man is to have entire power over him, body and soul." "All the foreigners in one basket," said the taverner, and this was repeated that night at the tavern several dozen times, an inexhaustible source of admiration, the best thing anybody'd said since the murrain. For a while I let myself be carried along by the white walkway, until it occurred to me. haste. He treasured her rustic sayings of that kind. Sometimes she frightened him, and he resented it. Grief rose up through her body and dissolved, like an ache that melts away in a long stretch. He. "I am not, after all, a wild animal. Don't be angry, but. . . it seems to me that you've all of those arts. His talk of the Allking and the Red Mother was mere words. And not the right words. Once instead of smiling and agreeing, she said, "It's lovely to have him back, but" and Golden stopped hearing. Mothers were born to worry about their children, and women were born never to be content. There was no reason why he should listen to the litany of anxieties by which Tuly hauled herself through life. Of course she thought a merchant's life wasn't good enough for the boy. She'd have thought being King in Havnor wasn't good enough for him. The weather was fair for once: a following wind, a blue sky lively with little white clouds, the time to time, and then shut his eyes. imagined and found startling, unwelcome, even painful, altering all her beliefs. I'll have him here as long as I choose, and that's the end of it." angry with him. He feared to insult, to offend her. What did she fear? His desire? Her own? But. So little Diamond grew up in the finest house in Glade, a fat, bright-eyed baby, a ruddy, cheerful boy. He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly, called him Songsparrow and Skylark, among other loving names, for she never really did like "Diamond." He trilled and caroled about the house; he knew any tune as soon as he heard it, and invented tunes when he heard none. His mother had the wisewoman Tangle teach him The Creation of Ea and The Deed of the Young King, and at Sunreturn when he was eleven years old he sang the Winter Carol for the Lord of the Western Land, who was visiting his domain in the hills above Glade. The Lord and his Lady praised the boy's singing and gave him a tiny gold box with a diamond set in the lid, which seemed a kind and pretty gift to Diamond and his mother. But Golden was a bit impatient with the singing and the trinkets. "There are more important things for you to do, son," he said. "And greater prizes to be earned." Veil came from Thwil Town that morning, bringing them a basket of bread, cheese, milk curds, Ordinary Hardic, for matters of government or business or personal messages or to record history, whole "independence" escapade involved flying from one terminal to another, where someone. Erreth-Akbe, half recovered, went after Orm, drove him from Havnor, and harried him on "through all the Archipelago and Reaches," never letting him come to land, but driving him always over the sea, until in a final terrible flight they passed the Dragon's Run and came to the last island of the West Reach, Selidor. There, on the outer beach, both exhausted, they faced each other and fought, talon and fire and
