The silent 1924 Thief, with Douglas Fairbanks, looks pretty primitive in places but also has some special effects that can still awe. Alexander Korda's 1940 Thief doubles that in spades (the giant flying genie is just one of many), plus it has monumentally lavish sets. Even the Steve Reeves version seems to have been made with more care and wit than the rest of Mr. Reeves' spaghetti spectaculars, containing some good film magic of its own and a resounding score with one of those epic romantic themes (based, it must be said, on a theme from the Rozsa music for Korda)..Fallows took in the rest of the information from the screen. The changes that the computers had detected were tiny--the merest beginnings of a trend which, if it continued at the present rate, wouldn't approach anything serious for a month or more. With only another three months to go before the ship reached Chiron there was no cause for alarm since the rest of the pump-group had enough design margin to make up the difference even without the backup. But even so, there was little doubt that Merrick would insist on the primary's being stripped down to have its bearings reground, alignment rechecked, and rotor rebalanced again. They had been through that routine twice already in the three months that the main drive had been firing. That meant another week of working in near-zero g and klutzing around in heavy-duty protective suits on the wrong side of the stern radiation shield. "Bloody pump," Fallows muttered sourly..she has to tilt her face up to glare at me.
