No one on the ship had met a Chironian yet, but everyone was already an expert. All anybody had seen were edited transmissions from the planet, accompanied by the commentators' canned interpretations. Why couldn't people realize when they were being told what to think? He remembered the stories he'd heard in Cape Town about how the blacks in the Bush raped white women and then hacked them to pieces with axes. The black guy that their patrol had interrogated in the village near Zeerust hadn't seemed the kind of person to do things like that. He was just a guy who wanted to be left alone to run his farm, except by that time there hadn't been much left of it. He'd begged the Americans not to nail his kids to the wall--because that was what his own people had told him Americans did. He said that was why he had fired at the patrol and wounded that skinny Texan five paces ahead of Hanlon. That was why the white South African lieutenant had blown his brains out. But the civilians in Cape Town knew it all because their TV's had told them what to think.."Now, let's see what we've got here," Adam said, scooping up his hand and opening it into a narrow fan. On the other sides of the table, Paula, one of the civilian girls from the Mayflower II, and Chang, Adam's dark-skinned friend, did likewise..Bernard shook his head in protest and tore his eyes away to look at the screen still showing Kath. "You can't let this happen," he implored. "Those are your own people up there in Selene. This will just be the first example. Then it'll get worse."Gazing at Micky with a solemnity that she hadn't exhibited before, the girl at last said, "I better."We should handle the situation firmly, yes, but flexibly and with moderation until we've more to go on. Our forces should be alert for surprises but kept on a low-visibility profile unless our' hand is forced. That's my formula, gentlemen--firm, low-key, but flexible.".Explorers opened for the boy, and he quickly slipped inside..Colman shrugged. I've got a job to do. We're still going to be busy for a while. Thanks anyway." He thought for a few seconds. "I hope you're not planning anything too tough out them. I mean, Jay hasn't exactly had a lot of practice at. that kind of thing. He's never even seen a planet before." lay winced under his breath and looked away..Leilani looked up at last, her lovely face unreadable, as free of all emotional tension as the countenance. But his reputation had put him in a no-win situation at the Friday night poker school because when he won, everybody said he was sharpening, and when he didn't, everybody said he was lousy. So he had stopped playing poker, but not before his name had been linked catalytically with enough arguments and brawls to get him transferred to D Company. As he stared fixedly at the wall across the corridor, the thought occurred to him that in a place with so many kids around, there ought to be a big demand for a conjuror. The more he thought about it, the more appealing the idea became. But to do something about it, he would first have to figure out-some way of working an escape trick---out of the Army. Swyley should have some useful suggestions about that, he thought.. "You're looking more like a mutant all the time." of it. We weren't born into this universe to doubt. The realization tightened her stomach. Even from fifteen years ago... it was she--for she had come with the Mayflower H. She knew then that the Chironians were at war, and that the war would end only when they or those sent to conquer them had been eliminated. And in their first encounter, she had sensed the helplessness of her own kind. She felt it again now, as the final veil of the artist's enigma fell away and revealed, behind the fear and the trepidation, a glimpse of something more powerful and more invincible than ill the weapons of the Mayflower II combined. She was staring at her own extinction.. "She's coming down to the surface later this evening to pick up some papers and things from the house after it's dark. But she'll be under escort. We've worked out a plan, but it needs someone to get me into the house first, before they arrive, and to get her away afterward. Also I'll need a way of getting out of the shuttle base later-it's being closed off. You're the only person she'll trust. Can you get away inside the next hour, say?" Jarvis and Chaurez glanced at each other. Then Jarvis looked away as a new report came up on one of the screens. "Peterson has come out for Borftein in the Government Center," he muttered over his shoulder. "I guess it's all over in the Columbia District. That has to give them the whole Ring." operation like this in the Utah boondocks as easily as in Manhattan?although not with a mere. When she arrived at the open door of the presidential suite where Noah stood, she offered her hand; if his enemies are not always his friends, certainly not in this case.. "Theoretically, I guess, yes, it would," Colman had agreed.. "I'm not sure I believe in life before death," Micky said.. Sinsemilla had been shopping earlier, in the afternoon.
