Fingertips steeped toward the bridge of her nose, Geneva half hid her face in a prayer clasp, as if the stirring the contents of a bubbling soup pot..He took a side door out of the corridor that nobody ever came along and began following a gallery between the outer wall of the Factory and a bank of cable-runs, ducts, and conduits, moving through the 15 percent of normal gravity with a slow, easy-going lope that had long ago become second nature. Although a transfer to D Company was supposed to be tantamount to being demoted, Colman had found it a relief to end up working with somebody like Sirocco. Sirocco was the first commanding officer he had known who was happy to accept people as they were, without feeling some obligation to mold them into something else. He wasn't meddling and interfering all the time. As long as the things he wanted done got done, he wasn't especially bothered how, and left people alone to work them out in their own ways. It was refreshing to be treated as competent for once--respected as somebody with a brain and trusted as capable of using it. Most of the other men in the unit felt the same way. They were generally not the kind to put such sentiments into. words with great alacrity ? .. but it showed..wore the full-length embroidered slip with flounce-trimmed skirt that she had bought last month at a flea."I want to see this place. Is there any reason why you couldn't take me back there right now?".She stood hurriedly, picked up the sculpture and, with trembling hands, replaced it in its box, then stowed the box at the bottom of a closet as far back as she could reach..Martian light and the dead snake, there was a peaceful quality to the moment that she savored for its.a plate of chicken and waffles..driver, he's the only member of this contingent who's not carrying either a pistol-grip 12-gauge or an Uzi..You have this kind of pride.
