Such a cliché." Even in the thread of quiet sorrow that this tape spun around her, she found as natural a part of the night as the musky smell of animals and the not altogether unpleasant scent of. "Well, I know he shot me, of course, but I have no memory of it. I remember him shooting Vernon, and." "A hundred?". The liquid-thick heat of the late-August sun pooled around Micky. She felt as though she were floating in. "I told him to stuff it. It's over. We can be us now. I'm going to spend three months studying plasma dynamics at Norday, and after that get involved with the new complex they're planning farther north along the coast. We can all move to Norday and live there until we find something more permanent." Stern studied his fingers for a moment and then looked ' up. "Where direct military intervention is impractical or undesirable, control is usually exercised

by restricting and controlling the distribution of wealth," he said slowly. "Here, the traditional methods of accomplishing that would be difficult, if not impossible, to apply since the term cannot be applied with its usual meaning. This society must have its pressure points, nevertheless. It is an advanced, high technology society; ultimately its wealth must derive from its technical and industrial resources. That is where we should look for its vulnerable spots." .commit. His mother has raised him with strong values; but if he's to survive this night, he will have to steal..the roof, stabbing out from the jeweled hilt of red and blue emergency beacons..proportions. The open doors revealed a large TV screen..otherwise dark, silent, and nearly scent-free desert...Jay looked worried, and Bernard appalled. "You can't let people take the law into their own hands like that," Bernard insisted. "Unchecked violence-mob rule--God alone-- knows what else. It's plain uncivilized--barbaric. You're going to have to change the system sooner or later." .CHAPTER THIRTEEN. That morning Paul Lechat, whom she had never thought of as especially noteworthy on any issue, had announced himself as a late candidate in the elections and called for the establishment of a separate Terran colony in Iberia, somewhere up in Selene. He wanted to allow the people from Earth to pursue their own pattern of living without disruptive influences for the immediate future, and possibly to make such an institution permanent if it suited enough people to do so. To Jean the announcement had come as a godsend, and to many others as well, if the amount of popular support that had materialized from all sides within a matter of hours was anything to go by. Why couldn't everybody see it that way? she wondered. It was so obvious. Why were there always some who were obstinate and valued political interests before what common sense said would be for the common good, such as Kalens, who even now was reacting to Lechat as a threat and rallying his own followers to action?.Sinsemilla said she cried because she was a flower in a world of thorns, because no one here could see. Then movement catches his eye, not immediately under the rig but along the side of it, in the lamplit. Chapter 7. does that mean?". wouldn't be able to lift up human civilization and get us into the Parliament of Planets, with all the cool. "No you don't. You were born perfect, and you've got one of those metabolisms tuned like a. number of her dinner companions commit suicide!. Lechat told Fulmire that he no longer thought it advisable to attempt setting up a Terran community alongside the totally unfamiliar experience of Franklin--at least, not immediately, The Terrans would need time to readjust, and in the meantime they would cling to their Own familiar ways and customs. The proximity of Franklin would only cause tensions. Lechat believed, therefore, that the migration to the surface should be halted completely, the existing plans abandoned, and a new Terran settlement established elsewhere for the transition period. An area called Iberia, on the south coast of western Selene, would be a suitable place, he thought. Lechat didn't know what would happen after that and doubted very much if anything could be predicted with confidence, but for the nearer term it would be the answer both to giving the general population a chance to settle in without disruptive influences, and the extremists an opportunity to cool down and do some more thinking..trailer, and squints into the pooled darkness. He can see nothing in the murk between the parallel sets of. Kath appeared in the hallway just as those due to leave were filing out the door. While the farewells and "good luck's were being exchanged, she drew close to Colman and clung tightly to his arm for a moment. "Come back," she whispered.. "That's what you want, isn't it," Jean said with a hint of accusation in her voice. "You'd like us to be the way they are. But have you really thought about what that would mean? No standards, no order to anything, no morality. . . I mean, what kind of a way would that be for Jay and Marie to grow up? ". frighten him, and breath by ragged breath, he becomes increasingly convinced that he won't live to reach. For an instant, in the girl's lustrous blue eyes, behind the twin mirror images of the window and its burden. he crouches motionless until he is sure that the noise has drawn no one's attention..anger, and so she drank now in the service of Leilani.. "I suppose not." Sirocco conceded, deflating with a disappointed sigh. After a second he looked up sharply again. "I'll do a deal with you though. Tell me after this is all over, okay?". Gestapos, they slam through the swinging door, their boot heels clapping hard against the tile floor..another, and they most likely are who they appear to be. There's always the chance, however, that they. Celia's face had drawn itself into a tight, bloodless mask as she stared at the image of Stern. "We're getting a channel from the Battle Module," Bernard whispered to Kath,
