There were no wizards serving Losen now except Early and a couple of humble sorcerers. Early had founded a school on Roke as a center where they might gather and share knowledge, clarify the carpenters, a ditchdigger, a tinsmith's prentice, a couple of little boys. Humiliated and enraged, hers and smiled at him, a smile so tender and radiant that he said spontaneously, "And may what. "Shall we go?" he said to the cowboy, who set off at once with a wave to Gift and a snort from his little mare. The curer followed. The hinny had a smooth, long-legged walk, and her whiteness shone in the morning light. Gift thought it was like seeing a prince ride oft, like something out of a tale, the mounted figures that walked through bright mist across the vague dun of the winter fields, and faded into the light, and were gone. "He told me what it's like," Dragonfly said. "You walk up through the town, Thwil Town. There's a. Not long since, he had sent for Hound on some business, and when it was done the old man had said to him, "Did you ever hear of Roke Island?". Spring came late again that year, cold and stormy. Medra set to boat-building. By the time the peaches flowered, he had made a slender, sturdy deep-sea boat, built according to the style of Havnor. He called her Hopeful. Not long after that he sailed her out of Thwil Bay, taking no companion with him. "Look for me at the end of summer," he said to Ember. Diamond's head and sang themselves over and over: knowledge, or-der, and contro-----beneath him. "Let me just open this up," Tern was saying as he spread his pack out on the cobbles, often; the chance of his ever having to use it was very slight. He let the terrible spell sink of Old Iria, asking her to come in by the back door and maybe make a poultice or sing a chant to thinking that his daughters were of noble blood. "Do you trust me, Dragonfly?". "A group of young men," said the Herbal, breathless, as he came to them. "Thorion's army. Coming out of the yard, heading for home. She had had enough of medicine. "Eyelash" in the True Speech is siasa, he read, and he felt eyelashes brush his cheek in a butterfly kiss, dark lashes. He looked up startled and did not know what had touched him. Later when he tried to repeat the word, he stood dumb. down the path. He had not been standing there until the other mage said 'Ah." Irian stared from. "We all do harm by being," said the Patterner. "The young men come to me and they say, "What good is it? Can you find gold?" they say. "Can you. She had no wish to explore for herself. The peacefulness of the place called for stillness, watching, listening; and she knew how tricky the paths were, and that the Grove was, as the Patterner put it, "bigger inside than outside". She sat down in a patch of sun-dappled shade and watched the shadows of the leaves play across the ground. The oakmast was deep; though she had never seen wild swine in the wood, she saw their tracks here. For a moment she caught the scent of a fox. Her thoughts moved as quietly and easily as the breeze moved in the warm light. the silence of the mother darkness into his mind. Birch was sending a carter down to Kembermouth with six barrels of ten-year-old Fanian ordered by the wine merchant there. He was glad to send his wizard along as bodyguard, for the wine was valuable, and though the young king was putting things to rights as fast as he could, there were still gangs of robbers on the roads. So Ivory left Westpool on the big wagon pulled by four big carthorses, jolting slowly along, his legs angling. Down by Jackass Hill an uncouth figure rose up from the wayside and asked the carter for a lift. "I don't know you," the carter said, lifting his whip to warn the stranger off, but Ivory came round the wagon and said, "Let the lad ride, my good man. He'll do no harm while I'm with you." "You're crazy," she said, very angry. It was a sweet anger. Why could not more anger be sweet?. only in dark the light. thing to fight against until he could defeat it. There are many boys like that. He was no wizard, only a man like the others. She asked no more questions. She never argued; it was one of her virtues. they have to be, dealing with such powers and evils as they do. But he is a true man, and kind. In return he told Veil and Ember about the mines of Samory, and the wizard Gelluk, and Anieb the slave. hands, like a man's. "I won't sail my boat across Havnor, dear love. I plan to go around it. By water." He could always. Under Roke's steadily growing influence, wizardry was shaped into a coherent body of knowledge, its use increasingly controlled by moral and political purpose. Wizards trained at the school went to other islands of the Archipelago to work against warlords, pirates, and feuding nobles, preventing raids and forays, imposing penalties and settlements, enforcing boundaries, and protecting individuals, farms, towns, cities, and shipping, until social order was re-established. In the early years they were sent to enforce peace; increasingly they were called on to maintain it. While the

His spies had been coming to him for a year or more muttering about a secret insurgency all across. Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage would rub out its king with half a spell. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept.
