There's an evolutionary advantage to sexual reproduction that more than makes up for all the inconveniences.* In cloning, the genetic contents of new organisms remain identical with those of the original organisms, except for occasional mutations. If the organism is very efficiently adapted to its surroundings, this is useful, but it is an extremely conservative mechanism that reduces the chance of change. Any alteration in the environment could quickly lead to the extinction of a species..The MacKinnons introduced themselves. His name was Jason. Hers was Michelle. They lived quite nearby, on West 28th, and were interested, primarily, in the television shows they'd seen when they were growing up, about which they were very well-informed. Despite a bad first impression, due to his associating them with Maggie of the green sofa, Barry found himself liking the MacKinnons enormously, and before the next switchover he put his chair in the LOCK position. They spent the rest of the evening together, exchanging nostalgic tidbits over coffee and slices of Partyland's famous pineapple pie. At closing time he asked if they would either consider giving him an endorsement. They said they would have, having thoroughly enjoyed his company, but unfortunately they'd both used up their quota for that year. They seemed genuinely sorry, but he felt it had been a mistake to ask..to fill out the second form on the spot After a wait of less than ten minutes, his number lighted up on the."But why this thing?" Crawford asked, pointing to the impossible artifact-plant. "Why a model of the
