He was fortunate in having met a farm heifer, not one of the roaming cattle who would only have led him deeper into the marshes. His Ulla was given to jumping fences, but after she had wandered a while she would begin to have fond thoughts of the cow barn and the mother from whom she still stole a mouthful of milk sometimes; and now she willingly took the traveler home. She walked, slow but purposeful, down one of the tracks, and he went with her, a hand on her hip when the way was wide enough. When she waded a knee-deep stream, he held on to her tail. She scrambled up the low, muddy bank and flicked her tail loose, but she waited for him to scramble even more awkwardly after her. Then she plodded gently on. He pressed against her flank and clung to her, for the stream had chilled him to the bone, and he was shivering. step, wiped them dry with the rag that hung on the handle of the pot, picked up the eggs, stood up. "Why can't I give myself my own true name?" Dragonfly asked, while Rose washed the knife and her. islands. He says that when King Lebannen was to be crowned, last autumn, he sent to Gont for the glimmer that showed them only the next step they could take, and of how they had looked up to the. herds and villagers of the lonely western isles. "In the Grove is no harm," said the Patterner. "Come on. There is an old house, a hut. Old, dirty. But a year or so later he saw Diamond out in the back garden with his playmate Rose. The children were squatting on their haunches, heads close together, laughing. Something intense or uncanny about them made him pause at the window on the stairs landing and watch them. A thing between them was leaping up and down, a frog? a toad? a big cricket? He went out into the garden and came up near them, moving so quietly, though he was a big man, that they in their absorption did not hear him. The thing that was hopping up and down on the grass between their bare toes was a rock. When Diamond raised his hand the rock jumped up in the air, and when he shook his hand a little the rock hovered in the air, and when he flipped his fingers downward it fell to earth. "Now the King is in my body, the noble guest of my house. He won't make me slaver and vomit or cause sores on my body; no, for I don't fear him, but invite him, and so he enters into my veins and arteries. No harm comes to me. My blood runs silver. I see things unknown to other men. I share the secrets of the King. And when he leaves me, he hides in the place of ordure, in foulness itself, and yet again in the vile place he waits for me to come and take him up and cleanse him as he cleansed me, so that each time we grow purer together." The wizard took Otter's arm and walked along with him. He said, smiling and confidential, "I am one who shits moonlight. You will not know another such. And more than that, more than that, the King enters into my seed. He is my semen. I am Turres and he is me..." his true name, by which he is remembered in islands far from Havnor.
